

WESTON
AIR FESTIVAL

SPONSORSHIP OPPORTUNITIES

ROYAL AIR FORCE **RED**
ARROWS

INTRODUCTION

Weston Air Festival is a free, memorable coastal event suitable for all the family. A mix of spectacular aerobatic displays and armed forces celebrations, the Air Festival showcases a stellar line-up of aerobatic talent including a display from the world famous Red Arrows.

Weston's iconic pier and beachfront creates a stunning location, creating the perfect stage for a coastal airshow.

The Air Festival firmly positions the area as a destination of choice in the UK, supporting the tourism economy in Weston.

THE OPPORTUNITY

Weston Air Festival has a growing audience, attracting circa 100,000 visitors to the area each day.

Taking place daily on Saturday and Sunday, the air display programme is supported by complimentary activities and entertainment on the ground, providing brands and businesses an incredible opportunity to reach a captive audience in between displays.

This year, we are offering business the chance to be the official partner of the Red Arrows at Weston Air Festival during the 100th Anniversary of the Royal Air Force. The next page presents a range of benefits open to you, please don't hesitate to get in touch to discuss how we can help.
